Important information for parents:

Security:

The safety of children at Alpha Beginnings is of prime importance to us. A number of safety precautions have been taken for their well-being. The institution has installed a strong security system to ensure the safety of its children. It is mandatory for all visitors to register themselves with the security personnel at the gate and thereafter wait for permission to be granted before proceeding inside the institution premises.

All visitors should respect the security check and co-operate with the security personnel on duty. The premises is under CCTV surveillance and only authorised personnel are allowed to be in the premises at any given time. Parents are required to carry their ID Cards while visiting the day care.

Drop off/Pick up:

Kindly report on scheduled time, intimate the school about late drop off / pick up. However, extra charges will be applicable beyond 6.30 pm.

Two pickup cards to parents / guardians will be provided by the center. Any extra pickup card required for authorised person will be charged.

In case the child needs to be dropped outside the school to board a school bus, kindly make a pickup card for the authorised person and inform the center in writing.

Authorised Persons:

Unless the names are not listed on our emergency forms, your child will not be released from day care to someone other than the parent/guardian.

Medications:

We must have written permission and instruction for each medication. Medicine with the child's name and current prescription information on the label constitutes instructions. Non-prescription medications will be administered only after receiving specific written request from Parents. Parents must sign a permission slip for each medication. In case of emergency, the child will be taken to the nearest hospital/medical center and you will be notified immediately. Parents will be responsible to bear the medical expenses.

Medical Guidance:

At Alpha, a safe and hygiene environment is maintained at all times. Parents are requested not to send a sick child to the day care. Parents are requested to impart health education to the children. All children should:

- 1) Maintain personal hygiene
- 2) Sleep at least 8 hours daily
- 3) Exercise daily
- 4) Eat a balanced diet

Children suffering from diseases such as chicken pox, cholera and jaundice must observe the prescribed quarantine period as follows:

Chicken Pox : Till the scabs fall completely.

Cholera : Till the child has completely recovered.

Measles : Until the swelling has gone (about one month.)

Whooping Cough : Six weeks

Jaundice : Six weeks

At the end of the illness, a medical fitness certificate should be handed over to the day care in-charge. Students suffering from infectious diseases like Conjunctivitis, Dermatitis, Scabies, etc should not be sent to the Day Care. Student suffering from chronic diseases like Asthama, Epilepsy, Rheumatic heart disease, any drug allergy etc. are advised to be under continuous medical supervision of a Specialist Doctor. This should be updated periodically, in writing, to assist the child in an emergency. The day care in-charge should be notified about any specific ailment from which the child is suffering.

Immunizations:

All children in day care must have appropriate immunizations for their age.

Dress Code:

Children are required to be neatly dressed for the day care and follow the given guidelines.

Ensure to keep a complete set of change of clothing (including underwear and socks) at the Day Care center at all times .

All children to report fully dressed; do not send the child in pajamas.

Children are not permitted to wear any jewellery or fancy watches to the day care centre.

Girls may wear small studs.

The child's belongings should be well labelled.

Use of safety pins is strictly prohibited.
